Un'identità che coniuga la tradizione del mobile classico con l'evoluzione del gusto contemporaneo, caratterizzandosi per la meticolosa attenzione alle soluzioni d'arredo e per il costante rapporto di fiducia con il cliente.

Fondata nel 1964 dai fratelli Antonio Enzo e Adriano a Casaleone, nel cuore della pianura veronese, l'azienda Marconcini Stile s.r.l. continua ancor oggi la sua attività grazie alla passione e all'intraprendenza dei figli Morris e Marco, che hanno ereditato la manualità delle vecchie botteghe d'arte e si sono fortemente rinnovati nel tempo con moderni metodi imprenditoriali.

Elevata competenza, entusiasmo creativo e ricerca della qualità rappresentano l'oggetto dell'orgoglio della fabbrica che segue tutte le fasi della produzione, dal progetto alla realizzazione dell'arredo su misura e standard, ottenendo successi professionali in eleganti case, negozi, alberghi e musei di diversi Paesi del mondo. Naturalmente made in Italy è tutta la produzione dell'azienda Marconcini Stile s.r.l. che rispecchia la rinomata tradizione del mobile veronese, tanto che le creazioni sono frutto di maestria e scrupolosa conoscenza dell'arredo classico, contemporaneo e moderno.

All'interno della ditta, la squadra di lavoro corposa e affiatata è sotto la guida esperta dei titolari. Morris, responsabile dei processi esecutivi, dirige la fase di progettazione, la gestione dei clienti e il controllo della qualità.

La produzione è volta a realizzare, in base ad un accurato progetto, cucine e sale da pranzo, librerie con raffinate boiserie, camere da letto, sale da bagno e porte d'interni.

Fondamentale è il rapporto con il cliente. Il dialogo e l'incontro con le aspettative del committente sono i punti di forza dell'azienda. La cura del design e la realizzazione dei prodotti nei minimi dettagli soddisfano i gusti più originali.
